Re: Permit Change for Construction of Safety Barrier in Mine Yard, Genwal Resources, Inc., Crandall Canyon Mine, ACT/015/032-IBC99-1, Folder #3.

Dear Sirs:

Enclosed are changes to the above permit application to allow construction of a safety barrier at the toe of the cut slope in the southwest corner of the mine yard.

For informational purposes, two drawings showing the construction of the barrier are attached. Upon reclamation, the barrier will be left in place and covered with fill material to reestablish approximate original contour. No additional reclamation cost is anticipated.

Please note the timing requirement statement in the C1 form.

If you have questions, please call.

Sincerely,

Gary E. Gray
